

## PLATING TABLE

### DIE I D STONE SEPTEMBER 1854 TRANSFER

By COLONEL A. E. STEWART

1. Red dot at left point of ear.  
White flaw extends S-E from S-E corner of first I of INDIA.  
Red flaw produced E from background opposite eighth arch right.
2. Red flaw above and just left of A of INDIA.  
White flaw outer line below second A of ANNA.  
Very small red flaw above and to right of second A of ANNA.  
Red flaw obliterates three-fourths of first ornament of diadem.
3. Red flaw over N of ONE.  
Top outer line broken between left ornament and label.  
Red flaw between outer frame line and left of lower label.  
White flaw between second and third ornaments of diadem.  
Red flaw blunts off the N-W corner of E of ONE.
4. Dot in second A of ANNA is not central but inclined to left.
5. Top line of left ornament broken.  
A very small projection N in N-W corner, really a slight continuation of the left frame line.  
First I of INDIA meets lower white line.
6. Small red flaw over A of INDIA, and often another just right of A.  
Minute red flaw projecting W from inner red line opposite second arch right.
7. Eye full of colour. Touch-up.  
N-E corner of frame of left arches broken.  
Red flaw attached to W side of sixth dot right.
8. Eye retouched.  
Line of ear broken below centre of earhole.
9. Red flaw inner white line opposite mouth.  
White nick in background opposite seventh and eighth arches right.
10. Red flaw lower left edge first I of INDIA.  
Large red flaws inner white line right opposite sixth, seventh and eighth arches.  
Red flaw below and to right of second A of ANNA.  
Top red line of eighth arch left is broken near the base.  
Red flaw W of sixth dot right.
11. Red flaws below N of ONE and first A of ANNA.  
Red flaw where forehead meets crown.  
Red flaw above and between IN of INDIA.  
Red flaw left edge second I of INDIA.  
Red flaw above and just left of A of INDIA.  
Red flaw above perpendicular stroke of D of INDIA. Lower chignon retouched.
12. Top of chignon touched-up.  
Dot in second A of ANNA is large.  
Break in outer red line opposite first arch left.  
Lower line of third arch left very thin and broken.

- Left outer red line broken near top.
13. Dot on neck at Adam's Apple.  
Outer frame line broken between NA of ANNA.  
Red flaw connects eighth dot left with eighth core.  
First and second arches left are weak.
  14. Red flaw below and to left of O of ONE.  
Red flaw left edge of E of ONE below central line.  
Top line of arches broken right and left of first dot.
  15. Lower line of first arch right broken.  
Lower line of right ornament very weak or missing.  
White flaws join INDI to white line below.
  16. Red flaw between left ornament and label (low).  
Right outer frame line broken fourth arch right; also at first arch.
  17. First dot left is an island; no line to left or right.  
Top white line of hair joins centre of third ornament of diadem.
  18. Red flaw between outer line and left of lower label.  
Second I of INDIA thin and irregular.  
Red flaw N-W corner of N of INDIA.  
Red flaws W of points of fourth and fifth cores right.  
Small red bulge from background opposite eighth arch right.
  19. Red flaw below IN of INDIA.  
Red flaw in A of INDIA makes central stroke appear to slant up from S-W to N-E.  
Small red flaw over second N of ANNA.  
Outer line broken under right leg first A of ANNA and E of ONE.  
Red flaw on the base of the bust at right end.
  20. Red flaw inner line opposite eighth arch left.  
Red flaw in bust above left point.  
Red flaw N-E corner of upper label.  
Outer frame line broken opposite first arch left.  
Right red line of right ornament has large break in it.
  21. Red flaw above and to right of E of ONE.  
Red flaw inner line left E of seventh dot.  
Red flaws join sixth and seventh cores left to lines below.
  22. Red flaw above and to right of N of ONE.  
Small red flaw above left leg N of ONE.  
Top of first I of INDIA appears bent to right.
  23. Red flaw left edge of D of INDIA (central).  
Red flaw outer white line W of eighth arch left.  
Red flaw outer white line W of sixth arch left (high).  
Chignon touched-up.  
Red flaw base of bust at right.
  24. Red flaw S of sixth core right.  
Red flaw amongst dots in base of bust, above and between E and A of ONE ANNA
  25. Red flaws make right leg first A of ANNA thin and irregular.  
Red flaw right edge first N of ANNA near the foot.
  26. Red flaw inner line opposite sixth dot left.  
Red flaw in second A of ANNA N-E of dot.

- Red flaw E of N-E corner of lower label.  
Red flaw S of eighth core right near base.  
Red flaw below S-E corner of lower label.
27. Red flaw below right leg of N of ONE.  
Red flaw above and just left of A of INDIA.  
Red flaw joins ninth dot left to core of eighth arch.  
Slight red bulge below A of INDIA.  
The three horizontal strokes of E of ONE are short and all appear the same length.
28. Red flaw across upper part first I of INDIA.  
Red flaw joins third core left to line of arch below.  
Outer line thickened under second A of ANNA.
29. Red flaw right edge right leg second N of ANNA near foot.  
N-E corner of outer frame protrudes.  
White flaw joins E of ONE to lower white line.
30. Red flaw N of sixth core left (near base).
31. Red flaw below and to right of A of INDIA.  
Red flaw (sometimes a bulge) on right side second I of INDIA.
32. Red flaws above and below E of ONE.  
Red flaw above second A of ANNA.  
Eighth core left large and smudged.
33. Small red dot E of third dot left.  
N-E corner of top frame of arches left is broken.
34. Red flaw below A of INDIA.  
Red flaw inner line left opposite point of nose.  
Eye retouched.
35. Red flaws in triangle where sixth dot right should be.  
Red flaw above N of ONE.  
Lines below first, second and third ornaments of diadem retouched.
36. Red flaw N-W of O of ONE.  
Red flaw outer white line left between fifth and sixth arches.  
Eighth core left blurred.
37. White flaw in band of diadem, below third ornament.  
S-W corner of frame to left arches broken.  
Small red stroke in the centre of the foot of the bust among the dots.
38. Red flaw inner white line left opposite eighth arch.
39. Two red flaws between S-W corner lower label and O of ONE.  
Red flaw outer white line first and second arches right.  
Red flaw below first A of ANNA.  
Three red dots between mouth and nostril.  
Red flaw above right leg first N of ANNA.
40. Large red bulge above second N of ANNA.  
Red flaws outer white line opposite second, third, seventh and eighth arches left.
41. Red flaw below and to right of right leg A of INDIA.  
Red flaw above and to left of D of INDIA.
42. Red flaw below N of ONE.
43. Red flaw at point of fourth core left.  
Red flaw inner white line right opposite second dot.

- Outer right line broken between sixth and seventh arches.
44. Top outer line broken over left leg N of INDIA (small break).  
Top outer line broken between IA of INDIA.  
Right outer line broken at S-E corner.
45. Red flaw above and between NN of ANNA.
46. Red flaw above E of ONE.  
Red flaw below and to right of last A of ANNA.  
Red flaw projects from background opposite eighth dot left.
47. Red dot outside right frame line opposite seventh arch right (guide dot?)  
Red flaw joins strand of hair above ear.  
Red flaw S of third core left.
48. Outer line broken below second A of ANNA.  
Red flaw on right edge of neck, below neck band.
49. Red flaw below and to left of O of ONE.  
Red flaw below and to right of first I of INDIA.  
Red flaw lines through right leg and cross-bar of N of INDIA.  
Red flaw above right leg of N of INDIA.  
Red flaw N and E of first core left.  
Lower lobe of chignon missing.
50. Red flaw below and to right of D of INDIA.  
First arch right blurred.
51. Small red flaws from lower background above and between E and A of ONE ANNA.  
Right outer line broken opposite top of second arch right.  
Inner red line right broken over seventh arch.  
Red flaw left edge of O of ONE near foot.  
S-E corner of background juts out.
52. Red flaws N and E of second dot left.  
Red flaws outer white line left along base of sixth core.  
Left outer frame line broken where it should meet top frame line.
53. A red line crosses the four lower strands of hair N-E of ear.  
Two red flaws on back line of neck, just lower than bottom of chignon.
54. Red flaw joins S-E corner of background to arch frame line.  
Small red flaw from lower label above and between E and A of ONE ANNA.  
Small red dot outer white line right between fifth and sixth arches.  
Small red flaw attached to outside edge right outer frame line opposite sixth and seventh arches.
55. Outer frame line right broken opposite lower eighth arch and upper fifth arch.  
Small red dot E of eighth dot right.
56. White flaw joins N-W corner of O of ONE to white line.  
Outer frame line broken under right leg second N of ANNA.
57. Red flaw below and to right of E of ONE.
58. Two red flaws above and to right and left of D of INDIA.  
Red flaw below left leg A of INDIA.  
Red flaw above and between AN of ANNA.
59. Red flaw upper white line just W of N-E corner upper label.  
Red flaw outer white line left, centre of fourth core.

- Red flaw N-E of E of ONE.
60. Red flaw in perpendicular stroke of D of INDIA (low).  
First A of ANNA smaller than second A.  
Small red dot outer white line right between second and third arches.  
Lower left edge of upper label nearly touching left ornament.
61. Red flaw below and between NN of ANNA.  
Red flaw below and to right of last A of ANNA.
62. Small red projection from bottom of lower label near S-E corner.
63. Red flaw above second I of INDIA.  
Red flaw inner white line left S-E of seventh dot.  
Red flaw inner white line left opposite point of nose.  
Third and fourth arches left are blurred.  
White nick in centre of base of first core right.
64. Small red flaw points S from top frame line above N-W corner of left ornament.  
Heavy shading separates top of chignon from hair.  
Red flaw joins point of seventh core right to inner red line.  
Red flaw joins sixth core right to line above it.
65. Small red flaw points N from outer frame line above left ornament.  
Small red flaw N of first core right.
66. Red flaw below and to left of D of INDIA.  
Small red flaw protrudes from background above right leg second N of ANNA.  
Peak of core of seventh arch right extends westwards and meets red line.  
Small red flaw protrudes from upper label N-E of N-W corner of background.
67. Red flaw from upper label N-E of first I of INDIA.
68. Red flaw right leg first N of ANNA (right edge near top).  
Red flaw N of seventh arch left near base.  
Red flaw N-W of seventh dot right, usually connecting it to curved line above.
69. Outer frame line broken below NA of ANNA.  
Small red flaw projects N from N-W corner of lower label.
70. Red flaw above and between NA of ANNA.
71. Red flaw inner white line left opposite third arch.  
Slight red bulge flaw from background opposite second arch right.  
White dent into right edge of lower label.  
Top outer line broken over left leg of N and over DI of INDIA.
72. Red flaw outer white line left at lower fifth arch.  
Red flaw S of point of fifth core right.
73. Red flaw N-E of E of ONE.  
Red flaw S of first core left.  
Red flaw N of second core left.  
Red flaw joins first core right to line above.
74. Red flaw in white line E of fourth dot left.  
Red flaw in right leg second N of ANNA.  
Red flaw below second A of ANNA.  
Red flaw on outer line E of lower label.

- Outer line broken below N of ONE.
75. Eighth core left large and touching line below.  
Red flaw W of lower label (central).  
Red flaw below N of ONE.  
Red flaw below and to left of first I of INDIA.  
Red flaw right leg A of INDIA.
76. Red flaw NT-E of E of ONE.  
Outer line broken above left ornament (central).  
Small excrescence from background E of seventh arch left.
77. Top frame line thickened over first I of INDIA.  
Red flaw above and to left of A of INDIA.
78. Red flaw inner white line left opposite fifth arch.
79. Slight red bulge from background under D of INDIA.  
Red flaw (dent) right edge D of INDIA, near top.  
Line of ear broken in centre below earhole.  
Top line of upper label irregular above second I of INDIA.
80. Red flaw inner white line left between third and fourth arches.  
Red flaw N-E corner of O of ONE.
81. Outer line broken opposite third and fourth arches left.  
Red flaw above and to left of first A of ANNA.  
Lower stroke of E of ONE is short (equal to middle stroke).  
Red flaw joins up sixth, seventh and eighth cores left.  
Red flaw joins arches left to lower label.
82. Small red flaw points west from left frame line opposite seventh and eighth arches left.  
Red flaw joins earhole to line below.  
Small red flaw below and to right of second I of INDIA.  
Red flaws in fourth, sixth, seventh and eighth arches right.
83. Red flaw below and to right of A of INDIA.  
Red flaw above and to right of second I of INDIA.  
Red flaw E of fourth arch right.  
Red flaw W of seventh core left (top).  
Lower stroke of E of ONE short.
84. Red flaw protrudes W from outer line opposite top of eighth arch left.  
Red flaw below first N of ANNA.  
Red flaw below first A of ANNA.  
Red flaw N of sixth core left.  
Red flaw joins fourth core right to dot below it.  
Red flaw E of lower third arch right.
85. Red flaw joins first core right to line of arch above (sometimes core is blurred).  
Red flaw S of seventh core right.  
Red flaw N of seventh core left.
86. Red flaw inner white line left opposite point of nose.  
Red flaw over the N-W corner of D of INDIA.
87. Red flaw below O of ONE.  
Red flaw N-W of third dot right (inside arch).
88. Red flaw N of and touching first core right (extends N).

- Small red bulge flaw above and between DI of INDIA.
89. Large red flaw between S-W corner lower label and O of ONE.  
Second A of ANNA blank, no dot in centre.  
Eighth core left joined to line above.  
Small red flaw between arches and right ornament.
90. Two red flaws above second A of ANNA.  
Red flaw above and to left of first A of ANNA.  
Red flaw above and to right of A of INDIA.  
Red flaw S of sixth core left.
91. Red flaw below first A of ANNA.  
flaw above and to right of second A of ANNA.  
Red flaws (two) below and to right of second A of ANNA.  
Red flaw joins N-W corner lower label to arches above.  
Red flaw above and to right of A of INDIA.  
Outer line broken opposite fifth and sixth arches right.  
Red flaw W of third dot right.
92. Red flaw inner white line opposite seventh arch right.  
Red flaw inner white line left, opposite seventh dot.  
Red flaws in ear.
93. Red flaw points N from background below right edge of D of INDIA.  
Red flaw right edge of right leg of A of INDIA (near foot).  
Red flaw joins S-E corner of lower label to lower frame line.  
Note. I have seen a sheet where some of these flaws are absent, possibly a sub-stone.
94. No outstanding flaws which are permanent.  
A very small red flaw points S from background at S-E corner.  
Left leg of second A of ANNA meets white line below.
95. Red flaw below right edge O of ONE.
96. Red flaw N and touching first core right.  
Red flaw outer white line left, centre fifth arch left.  
Lower line of arches right broken or missing.

NOTE. Numbers marked \* are sometimes hard to plate.
